The above area consists of red-soil lands, fit for cultivation, containing only jungle growth and brushwood. There is an urgent demand for this portion of the reserve for cultivation purposes from the ryots of the adjoining village Obulapuram—hamlet of Merikhal. There is no other suitable land for assignment to the villagers. The disafforestation of these lands will not prejudicially affect the needs of the villagers for pasture, firewood and agricultural implements. The Forest Panchayat at Obulapuram village which has control over this area, has no objection to the disafforestation of the lands. The disafforestation is therefore made with a view to make the lands available for assignment to the villagers for cultivation.

No. 1043.—In exercise of the power conferred by the proviso to section 4 of the Madras Hindu Religious Endowments Act, 1926 (Madras Act II of 1927), the Local Government hereby declare that all the provisions of the Act except section 60 (1) shall apply to the temple of Sri Paideswaraswami, vere at Cahngapatam in the Chicacole taluk of the Ganjam district, the average gross income of which including income from endowments connected therewith for a period of five years immediately preceding the commencement of the Act was less than Rs. 250.

Fort St. George, July 16, 1928
(*G.O. Mis. No. 2808, L. & M.*).

No. 1044.—The Board of Commissioners for Hindu Religious Endowments has brought to the notice of Government that the temples specified in the appended schedule, the annual income of each of which is below Rs. 250 and which are thus outside the scope of the Madras Hindu Religious Endowments Act, 1926, are not well managed. It is reported that though the immovable properties held by the temples yield less than Rs. 250 a year, the temples derive a large income in the shape of hundials and kanikkais in respect of which the poojaries maintain no account. Certain worshippers of the said temples have petitioned the Board against the poojaries alleging that the temple affairs are grossly mismanaged by them and jewels to the value of a lakh of rupees have been pledged and the proceeds dissipated. In the circumstances, the Board recommends that all the provisions of the Act may be applied to the said temples. Before issuing a notification under the proviso to section 4 of the Act, as suggested by the Board, the Government desire to know whether the poojaries of or any worshipper at these temples have any objection to urge against such application. If no objection is received by the Government within a month from the date of publication of the notification in the District Gazette, the Government will proceed to issue a notification under the proviso to section 4 of the Act extending all the provisions of the Act to the said temples.

UNIVERSITY OF MADRAS.

NOTIFICATION.

INSTRUCTIONS TO CANDIDATES APPEARING FOR THE EXAMINATIONS TO BE HELD IN SEPTEMBER AND OCTOBER 1928.

Candidates for University Examinations are required to observe the following instructions very carefully :—

1. Strict silence should be maintained in the examination room.

2. Candidates should take their places in the examination hall at least five minutes before the time fixed for giving out the papers. Candidates presenting themselves more than half an hour after the appointed time will not be admitted to the examination hall. Candidates who are undoubtedly suffering from infectious diseases of any kind will not be admitted.

Candidates should bring with them to the examination hall each day of the examination their hall tickets for inspection by the Chief Superintendent.

3. Candidates are prohibited from writing upon their hall tickets or question papers. Candidates are also prohibited from writing their names on any part of their answer books, but their register numbers should be written very distinctly on the outer cover of each. Failure to write their register numbers may involve the rejection of answer papers.

4. Candidates are not allowed to exceed the time assigned to each paper.

5. No candidate will be allowed to leave the examination room till the expiry of at least half an hour after a question paper has been given out; and no candidate who leaves the room during the period allotted for a paper will be allowed to return within that period.

6. *Candidates are forbidden to ask questions of any kind during the examination. They are further forbidden to communicate with the examiners, should they do so, their answers will not be valued, and their conduct will be reported to the Syndicate for disciplinary action.*

7. Candidates are not allowed the use of books of any kind (except as provided in rule 8). They are also prohibited from introducing into the examination room any book or portion of a book, slate, manuscript, or paper of any description, from communicating with or copying from each other, and from communicating with any person outside the examination room. Any candidate detected in the violation of these rules will be sent out of the room forthwith, and his conduct will be reported to the Registrar. The use of stencils at University examinations is not permitted except to students answering papers in Mathematics. The use of mathematical instruments whilst answering papers in Mathematics and in Physical Science will be allowed. Such instruments will not be supplied by the University.

8. Clarke's Mathematical and Physical Tables will be supplied to candidates in groups (i) and (ii) of the Intermediate and B.A., B.Sc (Ag.), B.Sc. Part II, B.A. (Honours) Branches I and II, and M.A. Branch I, First M.B. & B.S. and B.E.Se. Degree examinations only.

An 'earnest' fee of an amount equivalent to the cost of a copy of Mathematical Tables should be deposited with the Chief Superintendent by each student requiring the use of such books, the amount to be refunded on the book being returned. The cost price of each book is 7 annas.

9. Candidates for the B.A. Degree Examination under Groups (ii-A), (ii-B) and (iii) are required to submit their laboratory note-books both in the main and the subsidiary subjects to the Examiners concerned on the first day of the practical examination, and to get them back at the close of the examination. *This instruction applies only to candidates appearing from colleges.*

B-2

10. Candidates are required to provide themselves with their own pens. Candidates may bring into the examination hall their own ink bottles. They must, however, use only black ink while answering their question papers.

11. Particular attention is requested to the instructions, regarding rough working and loose sheets of paper printed on the answer books. All rough working must be shown on the left hand page of the answer books themselves. No separate books for rough working will be supplied to candidates. Paper must not be detached from the answer books of candidates. If the ordinary answer books are found insufficient, additional books will be allowed and these should be securely fastened to the answer books.

12. As soon as candidates have finished writing their answers, and wish to give up their answer books, or at the end of the period prescribed for each particular part of the examination, each should stand up in his place and remain standing until one of the superintendents has gone up to him and has received his answer book from him.

Where the halls are suitable the following alternative procedure may be adopted :—At the end of the period prescribed for each particular part of the examination the candidates should at once fold their answer-books, leave them in evidence at their places, vacate their seats, retire to the passages between the tables and move out of the hall in order and in silence, the Superintendents being meanwhile stationed in positions from which they may command a good view of the blocks entrusted to their care; when all the candidates have moved out, the Superintendents will collect the answer books.

13. Communications to the Registrar from candidates requesting information relating to the results of examinations will not receive attention until after the publication of the results in the *Fort St. George Gazette*.

14. The hall tickets of candidates sitting for the examinations at Madras will be ready for distribution at the Senate House four days before the date of each examination. Candidates sitting for the examinations at centres other than Madras should apply to the Chief Superintendent of the respective centre for their hall tickets.

15. *No college student will be allowed to select a centre for his examination other than that in which the College, he studies, is situated, except for satisfactory reasons and on the recommendation of the Principal of his College.*

16. *Candidates appearing at centres where they are not known must be prepared to satisfy the Chief Superintendents of such centres as to their identity.
